

???iPhone?????????????iPhone?iPhone 3G?????????????iPhone?????????????????

?????????????????????????????????iPhone?????????????????????????????????iPhone?????????????????

**Turn off 3G**

I have performed this operation

**How**

1. Go to Settings
2. Select General
3. Select Network
4. Set 'Enable 3G' to Off.

3G data usage is faster than 2G but uses more battery power.

?????App Store?iPhone??App Store??????????'
